**NOTES:**

- The limited warranty will be provided by ARCADIA LIGHTING for the product defects occurring within the stated years from the date of original purchase.
- ARCADIA LIGHTING will provide the Customer the reconditioned, repaired product or new parts as replacement, and the aforementioned provisions do not extend the original warranty period of the unit which has been repaired or replaced by the manufacturer. To make warranty claim, customer must provide the essential proof of defectives, purchase invoice and other requirement ARCADIA LIGHTING may need, Customer would also be required to send back the failed products at their own cost to
- ARCADIA LIGHTING after receiving the RGA (Return Goods Authorization Number). ARCADIA LIGHTING will undertake freight for sending replacement to customers in the first 3 years.
- ARCADIA LIGHTING Warranty covers units that are completely failed and does not apply if the failure is caused or contributed by any of the following:
  - Abnormal or unusual operating conditions or applications.
  - Electrical current surges caused by lightning or other catastrophic acts of God or occurrences.
  - Improper transportation or poor packing/packaging when returning the product to ARCADIA LIGHTING.
  - Installations where ambient temperatures exceeds suggested by manufacturer, which shows on label of each fixtures.
- ARCADIA LIGHTING will not reimburse or pay for unexpected costs or expenses, including labor or other costs associated with removal or re-installation of the product, even if it is ultimately deemed to be defective.
- Extended product and labor warranty is available - please contact sales@arcadialights.com or visit arcadialights.com to request more information.
